FORGET ME NOT

A FLOWERY TOUCH

Welcome a flowery touch to your interior with the newest addition to our UIMAGE lighting family. Crafted in Scandinavia and made from oak veneer, Forget Me Not™ is a lampshade inspired by the flower of the same name. Its organic shape will add warmth and vitality to the home and will bring the Nordic tones of nature into the interior.

Forget Me Not™ is available in three different sizes and three different wooden variants allowing you to create creative but stylish clusters of different sizes and colours - just like picking flowers from the flower fields and creating beautiful bouquets.

Magnus Nero & Ingemar Jönsson, designers say: *"The Forget Me Not™ lampshade is inspired by the beauty and delicacy of a meadow flower. The harmonious design of the gently shaped petals embraces the power of nature for the interior space."*
